

HBAC

Hokkaido Business  
Aviation Center

HBAC at New Chitose Airport, the gateway to Hokkaido, ensures maximum comfort and efficiency for business aviation passengers.

Enjoy a relaxing time in our luxurious facilities with high degree of privacy.

## In-flight meals for Business Aviation

HBAC provides in-flight meals exclusively for business aviation supervised by a luxury hotel "Portom International Hokkaido" adjacent to New Chitose Airport. Please enjoy the taste of a restaurant supervised by a Michelin-starred chef on board.

## Lounge

Operating 24hours

The lounge offers a comfortable environment with alcoholic beverages, snacks and refreshments. Partitions have been installed to ensure privacy for passengers, allowing them to relax while waiting for their flights.

## Independent Facility

Operating 24hours

HBAC is an independent facility for both domestic and international flights, allowing for smooth immigration procedures, equipped with dedicated security checkpoints and CIQ areas to provide a stress-free experience.

### Option Service

#### Transportation Service

After security check and CIQ procedure are completed, passengers are comfortably escorted to their aircraft.

#### Marshalling Service

The dedicated staff will guide aircrafts safely.

#### In-flight meal and Ice sales

Providing special in-flight meal arrangement service for business aviation upon request.

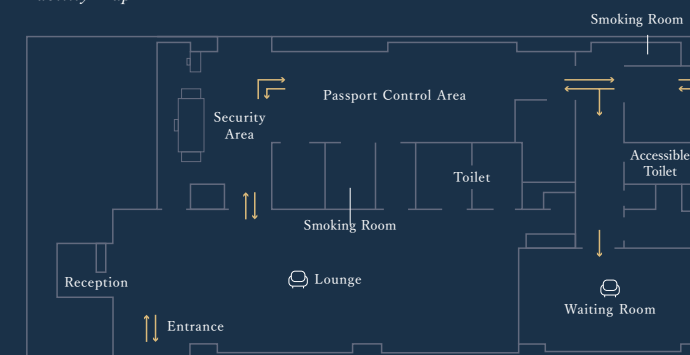

#### Baggage Handling

Smooth transportation of baggages between HBAC and aircraft.

#### Passenger Boarding Stairs

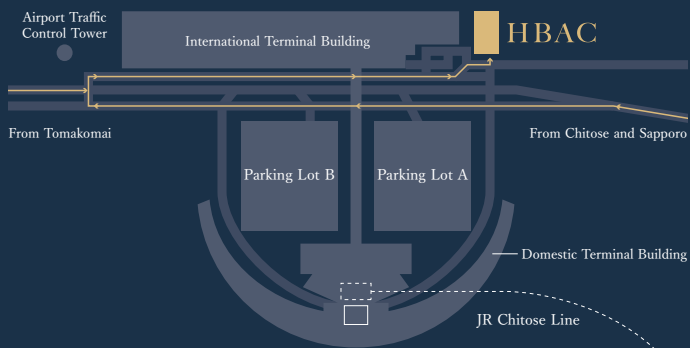

Equipped with a step car, which is necessary to assist passengers getting on and off the large aircraft.
